Professionals are invited to attend this interactive workshop to learn:

- An innovate technique for supporting families
- The fundamentals of the “Coach-Approach”
- An effective methodology for change management

Time: 1:30pm - 5:00pm on Monday, December 14

Venue: Skills Training Australia, Level 14,
459 Little Collins Street, Melbourne

Cost: \$120; \$40 students

Note: Volunteer positions are available for students able to attend the entire day (parent & professional).
